Subject: Sequence search request for 09/804,

Hi David,

Could you please do the following search for 09/869,508:

- 1) Fetch YB-1 promoter from GenBank, the accession number is: X96666
- 1) Do the standard search for 453-2150 of X96666 against the commercial and patent nucleic acid database.

Could you please also estimate how long this search will take?

Thank you very much for all your help.

Liping
305-4842.

SEARCH REQUEST FORM

Requestor's Name: _____ Serial Number: _____
Date: _____ Phone: _____ Art Unit: _____

Search Topic:

Please write a detailed statement of search topic. Describe specifically as possible the subject matter to be searched. Define any terms that may have a special meaning. Give examples or relevant citations, authors, keywords, etc., if known. For sequences, please attach a copy of the sequence. You may include a copy of the broadest and/or most relevant claim(s).

STAFF USE ONLY
